

CLASSES INFORMATION:

March Break: There is one wheel class that runs for 5 days, and one handbuilding class that runs for 3 days. Parents and grandparents are welcome to join the handbuilding class with the children.

Summer: There are 4 sets of classes, a morning and an afternoon session for one week in both July and August.

Handbuilding classes suit ages 7 and up. A minimum 6 and maximum 10 students per class.

Wheel classes require hand strength and therefore minimum age 10 is required. Parents are not allowed in this class due to space. Minimum 6 and maximum 8 students per class.

FEES: are for each course, and cover all materials, including clay and firing. HST is required for students aged 15 and up. As the March Break Hand Building class is only three days, the fee is \$50 for students 14 and younger, and \$56.50 for students 15+. All other courses are \$80 per student aged 14 and under; \$90.40 for students aged 15+.

TO REGISTER: please use the form on page 2. Your place is reserved when payment is received. Confirmation will be sent by email.

LOCATION: Classes are held at the Waterloo Potters' Workshop in Waterloo Park. It is the white house at the top of the hill from the Lion's Lagoon parking lot. Enter the park via the Young Street entrance off Albert Street and follow the road all the way past the main parking lot, the log schoolhouse, and go around and up the hill.

CHECK IN AND CHECK OUT: You will be asked to check your child in and out each day. You will receive a form to complete if someone other than the parent who registered will be picking up your child, or if your child is old enough to travel on their own. Please arrive early the first day. Someone will be on hand to complete registration a half hour before the class starts. All other days the door will open 10 minutes before class starts.

PICK UP POTS: On your receipt will be the date and time to pick up the pots that your child made. The pickup day for completed pieces is usually a Saturday a couple weeks after classes are finished. This allows time for pieces to dry, to go through a first firing (bisque), then glazed and fired again. Unclaimed pots after 3 months are either disposed of or donated to our Celebrate Summer sale for charity.

WHAT TO BRING: Wear old clothes, bring an old towel and HAVE FUN! Tools will be provided. Please arrive 10 minutes early to the first class.

CONTACT: If you have any questions please email us at childclasses@waterloopotters.ca. Your main contact is Eekta Trienekens, Children's Classes Coordinator, or Sarah Eby, Children's Classes assistant. The phone number for the workshop is 519-885-5570, but please note that other than class times, the phone is only answered during limited volunteer staffing hours and there is no voicemail.

REGISTRATION:

Child or Participant's Name: _____

Address: _____

City, Postal Code: _____

Age: _____

Parent Name: _____

Email Address: _____

Phone Number: _____
